**CFC Code-77406**

Combined Federal Campaign (CFC) season is upon us. CFC is the world's largest and most successful annual workplace charity campaign throughout the country and overseas.

Please join the Thomas Gaiter Foundation so that...

All **federal employees** and all **federal retirees** can pledge to donate to the Thomas Gaiter Foundation and any other worthy charities.

**OUR MISSION:** We empower members of all communities and mobilize resources to make education and health a priority for everyone.

We aid all individuals in need, including the disabled, the homeless, the elderly and the veterans. We render health services in disaster relief, provide necessities such as safe water, food, and clothing. We distribute basic school supplies to those who are in need from K-12 and offer need-based scholarships for college education across the country and abroad.
